**Meade's PC Repair Shop Recognized on 2017 CRN Next-Gen 250 List**

*Annual List Features Trailblazing Solution Providers Transforming Business with Emerging Technologies*

**Oakwood VA November 6 2017** – Meade's PC Repair Shop (MCRS), announced today that [CRN®](#), a brand of [The Channel Company](#), has named [Meade's PC Repair Shop](#) to its 2017 Next-Gen 250 list. The annual list recognizes standout IT solution providers who have successfully transformed their businesses to meet the demands of emerging technologies such as cloud computing, IoT, virtualization, mobility, business analytics and business intelligence. These solution providers, all in business for fewer than 20 years, have adapted to an evolving marketplace with a notable penchant for bringing key technologies to their clients before they become mainstream.

Meade's PC Repair Shop provides low cost computer repair services. Were family owned we have been in business since 2011.

All of us at Meade's PC Repair Shop are very happy that The Channel Company choose us as one of the top 250

"This group of solution providers is leading the way when it comes to emerging technologies, bravely stepping into the uncharted territory of next-generation IT solutions ahead of their peers," said Robert Faletra, CEO of The Channel Company. "Our 2017 Next-Gen 250 list is comprised of relatively new companies as well as established ones, all sharing the common thread of successful, trailblazing solutions designed to meet an unprecedented set of customer needs. We congratulate each team on its vision and contribution to the overall advancement of the IT channel."

A sampling of the Next-Gen 250 list will be featured in the December issue of CRN. The complete list will be available online at [www.crn.com/nextgen250](http://www.crn.com/nextgen250).
