Meade's PC Repair Shop, Inc Named One of 2018 Tech Elite Solution Providers by CRN®

Tech Elite 250 list recognizes IT solution providers with deep technical expertise and premier certifications

Oakwood, VA, March 26, 2018 – **Meade's PC Repair Shop, Inc** announced today that [CRN®](#), a brand of [The Channel Company](#), has named **Meade's PC Repair Shop, Inc** to its 2018 Tech Elite 250 list. This annual list honors an exclusive group of North American IT solution providers that have earned the highest number of advanced technical certifications from leading technology suppliers, scaled to their company size.

To compile the annual list, The Channel Company's research group and CRN editors work together to identify the most customer-beneficial technical certifications in the North American IT channel. Companies who have obtained these elite designations— which enable solution providers to deliver premium products, services and customer support—are then selected from a pool of online applicants.

Meade's PC Repair Shop provides low cost computer repair services. Were family owned we have been in business since 2011.

"Being named to CRN's Tech Elite 250 list is no small feat," said Bob Skelley, CEO of The Channel Company. "These companies have distinguished themselves with multiple, top-level IT certifications, specializations and partner program designations from the industry's most prestigious technology providers. Their pursuit of deep expertise and broader skill sets in a wide range of technologies and IT practices demonstrates an impressive commitment to elevating their businesses—and to providing the best possible customer experience."

All of us at Meade's PC Repair Shop are very happy that The Channel Company choose us as one of the top 250

Coverage of the Tech Elite 250 will be featured in the April issue of CRN, and online at www.crn.com/techelite250.
